

Bookletmaker

SPF-8

*The Compact Desk-top Bookletmaker
that saves money and time by increasing
the efficiency of your book binding operation.*

Horizon

Horizon SPF-8 Bookletmaker

A Powerful Compact Machine that can staple and fold sheets efficiently.

■ Features

• Multiple Functions:

Four different functions; Bookletmaking, Side-stapling, Corner-stapling and Fold can be selected.

• Easy to Operate:

Even a non-skilled operator can staple and fold with fail-safe and simple operation.

• Staple Monitor:

When the staple becomes empty or jammed, operation stops immediately.

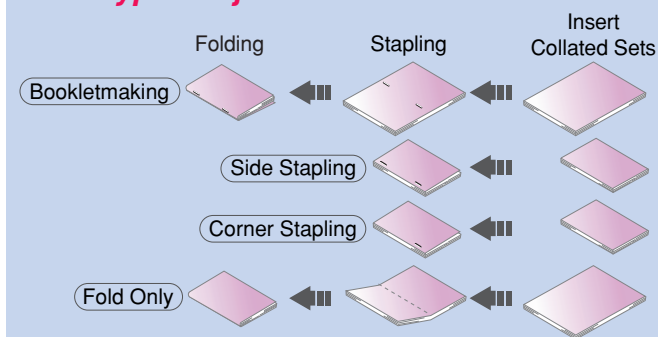

• Flat and Neat Stapling Finish:

The SPF-8 is equipped with the staple unit that produces completely flat stapling.

• Perfect for Short-Run Operation:

The SPF-8 is the perfect machine for short run job or sample preparation.

Four types of jobs can be done..

Simple Operation!

Select the job pattern.

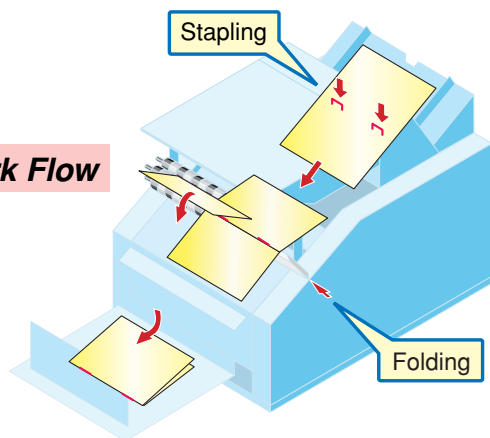

Insert prints, align the side guide, then press the start button.

With auto mode, the SPF-8 starts as soon as prints are inserted and delivers to the tray.

SPF-8 Work Flow
